HME Award recognition

CHARLESTON, S.C. – DASCO Home Medical Equipment headquartered in Westerville, Ohio, received the 2016 HME Excellence Award for Best Home Medical Equipment (HME) Provider at the HME News Business Summit on September 19, 2016.

“DASCO has been living its Purpose of Helping People Breathe, Sleep, and Feel Better for the past 30 years, and we are thankful and appreciative to be formally recognized,” states Rachel Mazur, CEO of the family-owned business. “I am proud of the service the DASCO team provides. It allows our patients to remain in their homes, even when they have to rely on medical equipment. This award is a great reminder of the value of home medical equipment providers.”

July 4th celebration

The judges for this year’s HME Excellence Award were independent consultants Miriam Lieber and Anna McDevitt, and Jonathan Sadock, managing partner and CEO of Paragon Ventures. The judges evaluated HME providers across the nation – for financial performance, community involvement, staffing, and quality control – before naming DASCO the winner.

According to President Jason Seeley, ***“We are honored to have been chosen for this award. We’ve always believed in providing a level of service that exceeds expectations, and it’s great to be recognized for that commitment. But we are also fully aware that much of our success comes from working with great partners and having passionate team members.”***
